LOGISTICS

WE CARE ABOUT YOUR CARGO !

## KML VIETNAM COMPANY LIMITED

KML Vietnam Co., LTD. Is a professional supplier of Logistics Services in Vietnam, KML was established under Investment License No. 0106551656 in 2011, by Founder Members who has several years' Logistics experience.

### VISION

We are determined to become the professional provider of international standard logistics services in Vietnam

### CORE VALUES

#### ✓ Commitment

We are devoted to the philosophy of being committed to our customers, being committed to our responsibilities in whatever we do.

A sense of responsibility, along with the utmost effort would create the enormous strength to overcome all hardship and obstacles and reaching to success; that is our definition of Commitment.

#### ✓ Reliability

Reliability is the foundation of sustainable relationship and cooperation. We strive to establish a reliable reputation among all our customers, partners; and we consider that is our most valuable asset.

#### ✓ Respect

We dedicate absolute respect to our customers, partners and colleagues as well as ourselves. In addition, we strictly follow regulations of the company, the law and ethical principles.

#### ✓ Professionalism

We simply define professionalism as faster, smarter and more effective. The key to reach professionalism is our expertise in the primary businesses, our compliance, our constant innovation and our application of logicity in each and every step in our operations.

# AIR FREIGHT
